Hi CoC Governance Committee members!

Need your vote on one thing and then a couple updates:

1. As discussed at the last Governance & Membership meetings, we need a few CoC Governance Committee folks to enter into talks with the MHC Executive Committee on potential leadership merger. I'd like to ask several folks from our Committee to rep the CoC in these talks: I'm proposing Cara Robinson, Rachel Hester, Trish Davis, Darryl Murray, and Catherine Knowles. Need your "e-vote" to agree with this appointment. The MHC is appoint members of their Executive Committee (which is 4-5 ppl) so this should make the groups even. Please vote by email or let me know your thoughts.

2. UPDATE: The nominating process continues – we have 3 nominations/applications thus far. So, between now and 6/27 we NEED MORE! PLEASE consider applying yourselves or think of someone to nominate. LEADERSHIP in this next year is CRITICAL. This form is attached.

3. UPDATE: Metro budget passed w/several homeless items of note - MTA Bus Pass PIP funding; city funds to pay for the NOTE team; additional funds for MHC/MSS homeless operations; ongoing funding for Veterans Voucher program for MDHA; ongoing funding for emergency cold weather shelter, etc. Metro also now has $25 million to spend on affordable housing initiatives thanks to the approval of the Capital Spending Plan.

4. UPDATE: Work for next NOFA submission continues. Lots of good work happening amongst staff and teams. MDHA, Catholic Charities, and MHC staff collaborating on all steps of the process. Also work continues on CES and HMIS improvements.

Thanks all and please send me your vote!

Best,

-ec
