

WEATHERIZATION ASSISTANCE PROGRAM

THE METROPOLITAN DEVELOPMENT AND HOUSING AGENCY is offering Weatherization Services at **NO COST** to qualified applicants. This project is funded under an agreement with the Tennessee Department of Human Services.

Let us help you save money on your heating and air conditioning bills while staying cooler in the summer and warmer in the winter.

If you qualify, you may have your home weatherized by repairing air leaks and installing insulation.

This is available to renters (up to a 4-unit complex), as well as homeowners.

All work is performed by licensed contractors and inspected by MDHA personnel.

If the total income for the number of people in your household is not more than the maximum, you should qualify.
