

NEED HELP WITH YOUR HOME?

You may qualify for programs offered through MDHA, many of which would be at no cost to you.

Know your options.

Most programs are available to homeowners earning up to 80% of the area median income or landlords of affordable properties.

MDHA Weatherization Assistance Program

MDHA's Weatherization Assistance Program increases the energy efficiency of homes owned or occupied by qualifying Davidson County residents. Work done through the Weatherization Assistance Program is free of charge for qualifying Davidson County residents.

For more information or to request an application be mailed to you, call 615-252-8500 or email bsexton@nashville-mdha.org.

MDHA Home Repair Programs

MDHA's Accessibility, HVAC, Homeowner Rehabilitation and Roof programs are available to qualifying Davidson County homeowners to help with various home repairs. Eligible projects include ramp installation, HVAC installation and roofing.

For more information, call 615-252-8530 or email bsexton@nashville-mdha.org.

Declared Disaster Recovery Fund

The Declared Disaster Recovery Fund (DDRF) is allocated to nonprofit developers to preserve affordable housing by buying and rehabilitating homes impacted by the tornadoes, severe winds and flooding that occurred in Davidson County in March and May 2020.

For more information about selling your storm-impacted property, call MDHA Senior Community Development Program Manager Angela Harrell at 615-252-8422 or email aharrell@nashville-mdha.org.
