Subject: CoC General Meeting Cancelled for Next Week, but ESG agencies invited
Date: Friday, February 12, 2016 1:00:22 PM
Importance: High

We are cancelling our CoC General meeting next Thursday morning, and will pick back up in March, on the 17th. **However, if you are a current recipient of ESG Rapid Re-housing funds, and/or if you are interested in applying to THDA for ESG funding, please read below.**

Instead of the CoC General meeting, we will meet during that hour (next Thursday, Feb. 18 from 10-11 at the Nashville Rescue Mission) with agencies that currently get ESG Rapid re-housing funds from MHDA, as well as agencies intending to apply to THDA for ESG funds. Main agenda items below. Let me know if you have more to add.

- Obstacles to use of funds, questions about this component
- Review of current locally agreed-upon parameters regarding maximum length of assistance, max dollar amount of assistance, max number of times client may return for add'l assistance after exiting program, and any designated priority populations

Agencies Interested in Applying to THDA for ESG Funding
