Phone: 312-626-6799

Meeting ID: 852 8405 8448

## What is involved with each program?

### Home Repair Program

Seeking Contractors!

**This program helps homeowners address repair needs of their home.**

Ongoing opportunities are available to contractors, usually weekly, to bid on a variety of homeowner repair projects in Davidson County.

Types of projects:

- **Accessibility:** Installation of ramps, walk-in showers, grab bars, flooring, etc.
- **HVAC:** Replacement or total new installation
- **Homeowner Repair:** Correcting major housing systems and health and safety items
- **Roof Replacement**
- **Window Replacement**

Contractor payment is paid by direct deposit.

### Weatherization Program

Seeking Energy Auditors and Contractors!

**This program completes energy conservation and health and safety measures to make the home more comfortable.**

There are steady work opportunities for in Davidson County. Certification through MDHA allows energy auditors to work anywhere in the country, as well.

Types of projects:

- Attic Insulation
- Floor Insulation
- HVAC Replacement
- Installation of Ashrae Fan

Energy auditors complete pre- and post-inspections for each home. After a passed post-inspection, payment will be paid by direct deposit.

**The Weatherization Program is actively seeking energy auditors!**
