DIVERSITY BUSINESS ENTERPRISE DIRECTORIES
 Updated November 1, 2023. The DBE Directory is a resource reference tool. In some cases, it will be necessary to determine whether a DBE's certification status is current. We recommend contacting the DBE to confirm that they have a current certification. Users of the Directory should make their own determination about the firm's capability to perform or enter a contract. Users should not use the directory for awarded advertising, signs, or any other manufacturing use. *Note: the "Certification Expiration Date" is based on the latest Certificate of Certification and/or DBE Approval Letter submitted to DBE. However, those DBEs are currently listed in their respective certification or approval directory as "Certified or Approved."
