0	0	0	0	0	0	0	0	0	(PY13): Program was funded at end of PY 2013. Due to unforeseen delays in program start, accomplishment data began in late PY 2014 and will be reflected there and in 2015.. (PY14): A change in scope was approved to remove the community garden element from the project due to weather/planting issues. Project re-aligned to provide business technical assistance to microenterprises and to provide healthy cooking classes to those in food desert areas. New scope began end of 2014/start of 2015 and beneficiary data will all come from workshops and classes conducted in 2015.. (PY15): Technical Assistance, training and support to facilitate the creation, stabilization, and expansion of microenterprises that are located or may locate in Tier 1 Census Tracts or focus on providing healthy food options in food deserts. Also provided healthy cooking classes and gardening classes for food desert LMI residents. The cooking classes served 127 unduplicated clients with several returning for multiple cooking/gardening class sessions.	MC
