## **Part IV: Financial and Technical Ability**

Financial Capacity: Please provide a narrative to support your proforma describing your financial capacity to complete this project. (I.e. describe sources of equity, proposed debt structure, current banking relationships, etc.):

Development Capacity: Please provide a narrative describing your development capacity including a brief history of the development entity and experience developing similar projects. As an attachment, please provide the resumes of all principles and key individuals who will be part of the development team.

## Part V: Eligibility

*Fully describe the public benefits that can be realized by the completion of this project. Projects with a high degree of public benefits are typically more likely to receive TIF assistance. Examples of public benefits include, but are not limited to the following:*

- Creation of affordable housing
- Creation of new retail choices in an underserved neighborhood
- Blight removal
- Historic preservation
- Furthering the pursuit of an existing community plan or policy
- Environmental remediation
- Public infrastructure need

*Additionally, the project must not actively compete with other projects within the downtown core. Strong proposals will seek to provide a product that would be filling a void in the market.*

## Part VI: Additional Materials and Information

In addition to this completed form, please include with your application:

- Resumes of principles and key individuals on project team
- Three references from previous development partners, investors, and/or lenders
- Any additional materials that you feel will support the above narratives

***\*\*Pursuant to TN Code Annotated 10-7-503, any information submitted as part of this application may be subject to public disclosure under the Tennessee Open Records Act.\*\****

Please return completed application and supporting materials to:
