All assistance will be treated as a grant to eligible households and does not require a lien.

The purpose of this program is to correct major housing systems and/or health and safety issues. Assistance is provided as follows: 1) Homeowners 62 years of age and older will receive a 0% interest loan with a five-year term/compliance period. The loan is forgiven entirely upon completion of the five-year term/compliance period. If ownership of the property transfers during the five-year term/compliance period the full amount of the loan becomes due and payable; and 2) All other homeowners will receive a 0% interest deferred loan, with no payment required until the property is sold or transferred. Both types of assistance will require a lien to be placed on the property.

The purpose of this program is to replace defective windows with Energy Star-rated compliant windows and/or repair and/or add/replace storm windows if window replacement is needed for the home. All windows of the home, with the exception of custom-sized windows, are eligible as determined by an MDHA rehab advisor. Assistance is provided as follows: 1) Homeowners 62 years of age and older will receive a 0% interest loan with a five-year term/compliance period.
