Narratives

Disaster Damage:

New Construction (Replacement Housing) – Single-Family Homes
A significant portion of Nashville’s workforce housing stock was impacted by the flood, and many homes were not replaced or residents chose to relocate outside of areas prone to flooding. To replenish the housing stock, offer more housing choices, and encourage revitalization of a targeted corridor as contemplated in the Long Term Recovery Plan, CDBG Disaster Recovery Funds will provide assistance for the development of single-family homes.
MDHA has prepared four additional amendments to the Action Plan for Disaster Recovery – technical Amendment Two (2011), substantial Amendment Three (2013) approved and authorized by RS2013-771, substantial Amendment Four (2014) approved and authorized by RS2014-1193 and substantial Amendment Five (2017) approved and authorized by RS-2018-1091- to provide further clarification of the proposed activities described in Amendment One and to reallocate funds from activities that have been canceled or closed to other existing activities.

Recovery Needs:

As activities described in the Action Plan, as amended, are completed, remaining funds need to be reprogrammed to a new activity under the existing housing project to fully utilize these funds. MDHA has prepared Amendment Six to the Action Plan for Disaster Recovery to reallocate funds administered by The Housing Fund totaling \$1,043,148.50 from Homeowner and Rental Rehab Loan and Grant programs in the original housing project to be used for new construction of affordable single family housing.

Public Comment:

The Metropolitan Government and MDHA support and encourage citizen participation in the development of the Disaster Recovery Action Plan and related amendments. Many of the concerns expressed by citizens participating in the long-term recovery planning process have been incorporated into this Plan, as amended. The Citizen Participation Process complies with the requirements published in the Notice of allocations, waivers, and alternative requirements [Federal Register, Volume 75, Number 217, Docket Number FR-5452-N-01, effective November 15, 2010].
The Public Notice advertising the availability of the draft Plan and opportunities for public comment was published in The Tennessean, posted on MDHA’s website and social media. The public comment period began on April 20, 2020 and ended on April 30, 2020. No comments were recieved. Following the conclusion of the public comment period, Amendment Six was approved by the Metropolitan Council.
